Advertisement for Walk-in Interview of JRF in DST-SERB sponsored project

Applications are invited for the post of junior research fellow (JRF) to work in the project entitled “**Optimization of Various Nano Rare Earth Metal Oxides Based System as Electrocatalysts for Oxygen Reduction Reactions**” funded by Science and Engineering Research Board (SERB) of the department of science and technology (DST), New Delhi. Applications can be sent via email or by post to the principal investigator on or before 21st September 2017.

Name of the position available: Junior Research Fellow

Number of positions available: 01 (One)

Age limit: Maximum of 28 years as on the last date of receipt of application

Project duration: 3 years

Educational qualifications: M. Sc degree in Chemistry from a recognized University/ Institute having a minimum of 55% (50% in case of SC/ST/PH candidates) marks or equivalent CGPA, preferably with CSIR-UGC NET/GATE or any other similar type of National Eligibility Test (NET). Candidates with prior experience in working with electrochemistry will be given preferences.

Fellowships: JRF-NET Qualified Candidates: Fellowship of Rs.25, 000/- per month for initial two years and Rs.28, 000/- per month for remaining years along with HRA as per SERB guidelines.

Date of interview: 23.09.2017 (Saturday) 11.00 AM at the department of chemistry, Ravenshaw University, Cuttack. Application containing detailed CV affixed with photograph and name of two referees should be submitted with master degree marksheet and certificate (Xerox) during the time of interview. No TA/DA will be paid for appearing in the interview.

General terms and conditions: the position is purely temporary and co-terminated with the duration of project. The position is renewable each year to satisfactory performance for a maximum of three years only.
