

Ravenshaw University previously known as Ravenshaw College is completing 150 years this year. As part of the 150 year celebration of the Institute Department of Chemistry is going to organize a National Conference on “**New perspective to Advance Functional Materials**” (NPAFM 2017) during 15 -17 December, 2017.

The conference will feature talk by invited speakers from different fields of Crystal Engineering, Supramolecular Chemistry, Nanomaterial, Functional Material, Solid State Chemistry, Biomaterial, Energy Material, Polymer etc.

We invite **abstracts for the oral/poster presentations**.

Kindly send your abstract by Email at npafm@ravenshawuniversity.ac.in

Visit us at www.npafm.com for more details.
