About SAP Lab:

SAP started in 1972 as a team of five colleagues with a desire to do something new. Together, they changed enterprise software and reinvented how business was done. Today, the same entrepreneurial spirit continues to drive our culture of creativity, diversity and collaboration. We believe that together we can transform industries, grow economics, lift up societies and sustain our environment. Because it's the best-run businesses that make the world run better and improve people's lives. For more information, visit www.sap.com
