About Thyrocare:

Thyrocare Technologies Limited is India's first and most advanced Totally Automated Laboratory having its strong presence in more than 2000 cities / towns in India and internationally. Thyrocare is India's first fully automated diagnostic laboratory with a focus on providing quality at affordable costs to laboratories and hospitals in India and other countries. Thyrocare operates with a Centralized Processing Laboratory (CPL) in Mumbai - India for esoteric tests; and Regional Processing Laboratory in major metro cities of India and other parts of Asia. Company has focus on strong technologies, strong brands and strong systems that enable all laboratories to give their clients the best of science and technology at an affordable cost. With a belief that 'Quality' is the heart of any intelligent management, Thyrocare became one of the first Indian diagnostic laboratories to obtain internationally renowned quality accreditations like ISO 9001-2000 rating as early as 2001, which is now escalated to ISO 9001:2008 and CAP (College of American Pathologists) certification in 2007. Our clear focus on speed and accuracy further made us the first Indian laboratory to also have an IT enabled, 24x7, fully automated diagnostic laboratory set up covering over 2,00,000 sq. ft. floor space that ensures error-free processing of over 50,000 specimens and over 2,00,000 Clinical Chemistry investigations per night.
