PLANET: NEO BUSINESS
SUSTAINABILITY
(STSP: NBS-2026)**

NAAC A++

**ORGANISED BY:
DEPARTMENT OF COMMERCE,
RAVENSHAW UNIVERSITY,
CUTTACK, ODISHA**

ABOUT THE CONFERENCE :

The National Conference on “Smart Tech to Smart Planet : Neo Business Sustainability” represents a forward-looking approach where businesses harness smart technologies to achieve growth while safeguarding the environment. By integrating AI, digital innovation, and clean technologies into core strategies, organizations can reduce resource consumption, enhance efficiency, and create long-term value. This theme emphasizes responsible innovation, balancing economic progress with environmental protection and social well-being in a shared, resource-limited world.

ABOUT RAVENSHAW UNIVERSITY :

Ravenshaw is the oldest institution of higher education in the state of Odisha and one of the oldest institutions of higher education in India. It was founded in 1868. As a University founded in the year 2006 with the Vision to spread the light of learning, and guided by the motto Jnanameva Shakti (Knowledge is power), Ravenshaw University aims to preserve its position as the “temple of learning”, with a deep knowing that the phrase exists in the vernacular for a reason. The university envisions itself as the one-stop destination for higher education for students from diverse social and economic backgrounds, and will help students to steer their passions towards making the world a better place.

ABOUT DEPARTMENT OF COMMERCE :

The Government of Odisha introduced Intermediate Commerce classes at Ravenshaw College in 1957, marking the beginning of formal Commerce education on the campus. With the appointment of Sri P. C. Ray and Sri R. K. Jena as lecturers, the Commerce classes were initially conducted in the Arts Block. As Cuttack emerged as a major hub of trade and business, the demand for Commerce education rose rapidly. Responding to strong public interest, the Government of Odisha introduced B.Com classes in 1959, further strengthening Ravenshaw’s academic stature. Today, the Department has evolved into a distinguished centre of learning, offering undergraduate, postgraduate, and research programmes in Commerce and Management. It attracts highly meritorious students from across Odisha as well as neighbouring states such as Bihar, Chhattisgarh, Jharkhand, and West Bengal, maintaining its reputation as a premier destination for quality Commerce education.

Important Dates

Last Date of Submission of Abstract : April 5th 2026

Last Date of Submission of Full Paper : April 6th 2026

Conference Date : April 12th & 13th, 2026

* The Acceptance will be communicated within one week from the date of Abstract received
