Department of Geography, Ravenshaw University, Cuttack

Applications are invited for one Research Assistant position under ICSSR Minor Research Project (2025-26) scheme titled "An Integrated study on Human-Crocodile conflict incidence, Habitat overlap and community vulnerability in Odisha".

Project Details:

Title: "An Integrated study on Human-Crocodile conflict incidence, Habitat overlap and community vulnerability in Odisha". **Funding Agency:** ICSSR (Indian Council of Social Science Research) (File No. 94/2025-26/ICSSR/RP/MN, Dated: 20.3.2026)

- **Project Director:** Dr. Jainaseni Rout, Assistant Professor, Dept. of Geography, Ravenshaw University
- **Email:** jainasenirout@ravenshawuniversity.ac.in / jainasenirout@gmail.com
- **Contact:** 9437449922 / 8249917611

Position & Tenure:

- **Post:** Research Assistant (01 Position)
- **Duration:** 1 year or until project termination, whichever is earlier.

Fellowship:

Rs. 37000/-

Essential Qualification:

- 1) Master's degree (or final semester of Master's degree) in Geography/Geoinformatics with strong knowledge of RS/GIS and basic statistics (or) Master's degree in any Social Sciences with RS/GIS as a subject and basic statistics with a minimum of 55% marks with NET/M.Phil/Ph.D.
- 2) Should have a strong conceptual and theoretical understanding of Remote sensing, GIS and related data products.
- 3) Knowledge of MS EXCEL for running analysis/statistics and expertise in report writing.
- 4) Proficiency in Odia Language

Desirable Qualification:

- 1) Academic/Professional experience in the fields of Remote Sensing/GIS such as Google earth engine (GEE), RS/GIS Software (Arc GIS pro, QGIS), Regression analysis, Spatial Statistics and Time series analysis.
- 2) Willingness for Socio-ecological surveys, along with skills in field data collection (questionnaires, GPS mapping) and stakeholder interaction (Forest Department and local communities).

- **Scope for PhD enrolment**

Age Limit:

- **Maximum 30 years** (Relaxation may be considered for exceptionally qualified candidates).

Job Responsibilities:

- Conducting research activities related to the project, including fieldwork, data analysis, and report preparation.

Application Process:

- **Interested candidates must submit:**
 - A detailed CV with contact details (email & phone).
 - Scanned copies of certificates (qualifications, expericncc, etc.).

Send applications through the google link: <https://forms.gle/vRI.6KyhWMrJIFHf6> on or before 01.05.26 till midnight. Application received after the last date shall not be accepted.

Selection Process:

- Shortlisted candidates will be called for an **online/offline interview** (Date will be communicated via email).

Important Terms & Conditions:

1. The position is purely **temporary** and co-terminus with the project.
2. **No TA/DA** will be provided for attending the interview.
3. Selected candidates **cannot pursue any other regular/part-time employment** during the project tenure.
4. **Canvassing in any form will lead to disqualification.**
5. Selected **Final semester student** should submit the **pass certificate within 3 months of joining.**

For further details, candidates may contact the **Project Director** at the provided email/phone number.
