ADVERTISEMENT FOR JUNIOR RESEARCH FELLOW

Walk in Interview for one **Junior Research Fellow** position under **ANRF (Anusandhan National Research Foundation)** (File No. ANRF/ECRG/2024/000731/EAS) for the project "**Quantifying India's Landscape Transformation: A Remote Sensing Approach to Human modification**".

Project Details:

- **Title:** "Quantifying India's Landscape Transformation: a Remote Sensing Approach to Human modification".
- **Funding Agency:** **ANRF (Anusandhan National Research Foundation)** (File No. ANRF/ECRG/2024/000731/EAS) Dated:09-07-2025)
- **Principal Investigator:** **Dr. Jainaseni Rout**, Assistant Professor, Dept. of Geography, Ravenshaw University
- **Email:** jainasenirout@ravenshawuniversity.ac.in
- **Contact:** 9437449922 / 8249917611

Position & Tenure:

- **Post:** Junior Research Fellow (01 Position)
- **Duration:** Initially 1 year and extendable another **1 year** or until project termination, whichever is earlier (Performance review on a yearly basis; extension subject to satisfactory progress).

Remuneration: Rs. 37000/ + HRA

- **Essential Qualification:**
 - 1) Master's degree in Geography with RS/GIS (**or**) M.Sc. in Geo-informatics (RS/GIS)
 - 2) Should have a strong conceptual and theoretical understanding of Remote sensing, GIS and related data products.
- **Desirable Qualification:**
 - 1) UGC/CSIR NET in relevant subjects.
 - 2) Academic/Professional experience in the fields of Remote Sensing/GIS such as Google earth engine (GEE), RS/GIS Software (Arc GIS pro, QGIS), Multi criteria decision making (F-AHP, PROMTHEE), Machine learning algorithms (S-PCA, RF, XG Boost) etc.
- **Scope for PhD enrolment**

Age Limit:

- **Maximum 32 years** (Relaxation may be considered for exceptionally qualified candidates).

Job Responsibilities:

- Conducting research activities related to the project, including fieldwork, data analysis, and report preparation, research paper.

Application Process:

- Candidates must bring **original certificates, 1 no. self-attested photocopies of all certificate, two passport-sized photographs and Aadhar card** for verification.

Important Terms & Conditions:

1. The position is purely **temporary** and co-terminus with the project.
2. **No TA/DA** will be provided for attending the interview.
3. Selected candidates **cannot pursue any other regular/part-time employment** during the project tenure.
4. **Canvassing in any form will lead to disqualification.**

Interview Date & Time and Venue: 9th October 2026 at 10.00 AM, Department Room of Dr. Jainaseni Rout, Assistant Professor, Department of Geography, Ravenshaw University, Kataka.

For further details, candidates may contact the **Principal Investigator** at the provided email/phone number.
